

COMMERCIAL LED AREA LIGHT

ARL 100–150W Area Light

Light a parking lot, loading area, or lot perimeter with the ARL 100–150W Area Light. Its shoebox housing mounts to a pole or wall for wide, even coverage, and field-selectable color temperature simplifies spec and stocking across a property. High-output efficiency keeps the site visible and secure well after dark while trimming energy cost, and the rugged housing is engineered for continuous outdoor duty — code-ready area lighting built to run night after night.
