

OUTDOOR POST LANTERN

Belmont Post Lantern

Classic lantern styling defines the Belmont Post Lantern, a timeless silhouette built to top a mounted post at the edge of the yard, drive, or walkway. Warm light glows through its frame each evening, marking the way home and adding a welcoming glow that reaches beyond the entry. Its weatherproof build stands up to rain, sun, and passing seasons, so Belmont keeps working, and looking sharp, year after year.

FINISH OPTIONS ● Black BK
