

ORB CHANDELIER

Brickell 18-in. Orb Chandelier

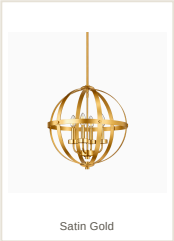

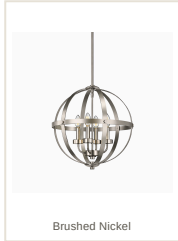

Slim metal rings orbit a cluster of globe shades, giving the Brickell 18-in. Orb Chandelier a sculptural, modern silhouette that reads as striking from every angle. Hung over a dining table, entry, or stairwell, it casts a warm glow through each sphere, layering ambient light without a heavy, boxy frame overhead. Four lights cluster for a fuller glow than a single pendant, and the open ring keeps the piece feeling light despite its scale.
