

SINGLE PENDANT

Duke Single Pendant

A tapered cone shade gives the Duke Single Pendant a clean, modern point of light overhead. Warm light glows from beneath the shade, casting a soft pool over a kitchen island, entry table, or bar without harsh glare. Hung on a long cord, it can be set low over a table or higher in an open stairwell to match the space. Choose from four finishes — from warm metals to crisp white — to match the rest of the room's hardware. A single pendant that turns the ceiling into a focal point.
