

CHANDELIER

Heritage Chandelier

Classic lines and timeless proportions define the Heritage collection, bringing traditional style to any room in the home. Warm, inviting light rounds out the look, whether that's an entry, a bath, or a dining room. Designed to pair naturally with the classic millwork, cabinetry, and hardware already in place, a Heritage fixture never feels out of step with the rest of the house — it brings a dependable, familiar warmth to everyday rooms without overwhelming them. The Heritage Chandelier centers a dining room or entry with a tiered array of candle-style lights in a Chrome finish, offered in 5- and 9-light sizes.
