

VANITY / BATH BAR

Heritage Vanity Light

Classic lines and timeless proportions define the Heritage collection, bringing traditional style to any room in the home. Warm, inviting light rounds out the look, whether that's an entry, a bath, or a dining room. Designed to pair naturally with the classic millwork, cabinetry, and hardware already in place, a Heritage fixture never feels out of step with the rest of the house — it brings a dependable, familiar warmth to everyday rooms without overwhelming them. The Heritage Vanity Light bars a bathroom mirror with evenly spaced traditional lights in a Chrome finish, in 2- and 4-light widths.
