

OUTDOOR WALL LANTERN

Dalton 11-in. Outdoor Wall Lantern

Warm light spills from the classic cage frame of the Dalton 11-in. Outdoor Wall Lantern, lighting a side door, garage bay, or narrow porch after dark. Compact at 11 inches, it fits tighter spots without crowding the door trim, and its black cage-and-glass build is made for everyday exterior exposure. Mount it solo or in a pair to frame a smaller entry.
