

LED FLUSH MOUNT

Caelum 13-in. Round Flush Mount

Clean, modern lines define the Caelum 13-in. Round Flush Mount, a round panel that sits flush against the ceiling with a low profile. Bright, even light fills the room, and 5 selectable color temperatures let you dial the tone from a crisp reading light to a softer evening glow. Its compact scale suits bedrooms, hallways, closets, and laundry rooms where ceiling clearance is tight.
