

LED FLUSH MOUNT

Caelum 20-in. Round Flush Mount

A wide round panel gives the Caelum 20-in. Round Flush Mount a clean, substantial presence flush to the ceiling. Bright, even light fills the room edge to edge, and 5 selectable color temperatures let you dial the tone from a crisp task light to a softer evening glow. Its generous scale steps up from the smaller Caelum sizes for a living room, bedroom, or open kitchen.
