

LED FLUSH MOUNT

Caelum 24-in. Square Flush Mount

Crisp, geometric styling defines the Caelum 24-in. Square Flush Mount, a wide square panel that sits flush to the ceiling with a low profile. Bright, even light spreads edge to edge, and 5 selectable color temperatures let you dial the tone from a crisp task light to a softer evening glow. Its generous scale suits a great room, bedroom, or open living space needing broad, shadow-free coverage.
