

OUTDOOR WALL LANTERN

Carlisle Outdoor Wall Lantern

Classic lantern styling defines the Carlisle Outdoor Wall Lantern. Clear glass panes frame a warm, inviting glow, at home flanking a front door, garage, or porch entry. Offered in 16-in. and 20-in. sizes for a smaller entry or a wider facade, the traditional cage silhouette pairs easily with brick, stone, or siding, and it's built to handle everyday outdoor exposure season after season.
