

COMMERCIAL FLOOD

FLLS Commercial Flood Light

Bright, true-color light floods parking lots, facades, and work yards from the FLLS Flood Light. Field-selectable color temperature and a wide wattage range simplify spec and stocking across projects of every size, while the rugged commercial housing stands up to continuous outdoor duty. High lumen output keeps large areas evenly lit without excess fixtures, cutting installation and maintenance costs, and an onboard photocell plus 0–10V dimming ties each fixture into the site's controls. Three power classes — 15-35W, 40-80W, and 100-150W — cover a walkway sign up to a full stadium lot.

FINISH OPTIONS

Bronze BZ

PRODUCT	FLLS Commercial Flood Light
LOCATION	—
DATE	—
PART #	FLLS-15T35W-3CCT-DV2-PC-BZKM
NOTES	—

PRODUCT DETAILS

FAMILY
FLLS

PRODUCT TYPE
Selectable-Wattage LED Flood

MATERIAL
Die-cast aluminum · tempered-glass lens

LENS / DIFFUSER
Tempered glass

MOUNTING
Wall / eave · adjustable knuckle

LOCATION RATING
Wet

CERTIFICATIONS
ETL Listed (Wet)

ELECTRICAL / PERFORMANCE

CCT
Selectable 3CCT

INPUT VOLTAGE
120V

IP RATING
IP65

INSTALLATION

INSTALLATION
Surface-mount · wall or eave

WIRING
Hardwired (120V)
