

SURFACE MOUNT / UTILITY

DSC Surface-Mount Disc Light

Bright, even light spreads from the low-profile DSC Surface-Mount Disc Light, built to handle closets, hallways, laundry rooms, bathrooms, and other everyday utility spaces. Its slim disc mounts flush to almost any ceiling in minutes with no bulky housing to hide, and it runs efficiently to keep energy costs low. Field-selectable color temperature matches the disc to the space, and two apertures (4 and 6 in.) cover a small closet up to a full bath. A tidy, no-fuss utility light that installs fast and disappears into the ceiling.

FINISH OPTIONS ☒ White WH
