

PENDANT

Alden Single Pendant

Clean, minimal lines define the Alden Single Pendant — a slim cylinder shade on a long cord that drops from the ceiling. Hang it solo over a nightstand or entry table, or line up several in a row over an island or a long counter for warm, focused light. The narrow shade keeps the silhouette light and unobtrusive, so it reads as a bright accent rather than a bulky fixture, and the adjustable drop makes it easy to set at the right height.
