

BATH / VANITY LIGHT

Alden Vanity Lights

A row of cylindrical glass shades spans the mirror to give the Alden Vanity Lights a clean, modern presence. Evenly spaced shades wash the vanity in bright, warm, shadow-free light that flatters everyday grooming, and the clean lines coordinate across the whole Alden bath collection. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning 30" for a wide or double sink — each in Black, Brushed Nickel, or Satin Gold.
