

WALL SCONCE

Alden Wall Sconce

A single cylindrical glass shade sits close to the wall, giving the Alden Wall Sconce a clean, understated profile that pairs easily with the wider Alden vanity lights. Mounted singly or in a flanking pair beside the mirror, it casts soft, warm light across the face at the height you actually need for grooming and getting ready. The slim cylinder keeps the sightline open above a narrower mirror, and it hardwires in cleanly beside the Alden vanity family — a simple, coordinated finishing touch at the bath vanity.

ORDER CODE Order code: ALDN-WS1-[BK/BN/SG]. 1-light, 500 lm, 3000K; one 6W A19 bulb included (Medium E26, up to 100W). Dry-rated, ETL Listed. ~4.38" W × 8.25" H, extends 5.75". ▲ WS1-SG spec block lists "(3) 6W" bulbs — typo for this 1-light fixture (built as 1); bullet copy says "bulb sold separately" vs spec "included" (built as included).
