

CHANDELIER

Aurelia 9-Light Chandelier

Crown a dining table or great room with the Aurelia 9-Light Chandelier's wide ring of nine glass cylinders. Warm light glows through each shade, filling the space with a soft, candlelit sparkle that reads formal without feeling stiff. Its generous spread suits a two-story foyer, long dining table, or open great room, and the open candle frame keeps the piece airy despite its size. Offered in Satin Gold.
