

SINGLE PENDANT

Aurelia Single Pendant

Clean, candle-style lines define the Aurelia Single Pendant, a slim glass cylinder suspended on a long cord drop. It casts a warm, focused glow over a kitchen counter, entry table, or bedside, and its small footprint makes it easy to line up in a row over an island. The adjustable cord lets you set the exact hanging height, from a low pool of light to a higher accent. Offered in Black, Brushed Nickel, and Satin Gold to coordinate across the Aurelia collection.
