

BATH / VANITY LIGHT

Aurelia Vanity Lights

A row of clear glass cylinders spans the mirror to give the Aurelia Vanity Lights a clean, candle-style presence above the bath. Evenly spaced shades wash the vanity in warm, shadow-free light that flatters everyday grooming, and the open frame keeps the fixture from feeling bulky on the wall. Three widths — a 2-light for a powder room, a 3-light for a standard vanity, and a 4-light spanning a double sink — each in Black, Brushed Nickel, or Satin Gold.
