

WALL SCONCE

Aurelia Wall Sconce

A single glass cylinder sits flush to the wall, giving the Aurelia Wall Sconce a clean, minimal profile beside the bathroom mirror. Warm light glows softly through the shade for grooming and everyday routines, without the glare of an overhead light. Mount it singly beside a mirror or in a pair flanking a wider vanity, matching the look of Aurelia's vanity lights nearby. Offered in Black, Brushed Nickel, and Satin Gold.
