

BAMBOO ROMAN SHADE

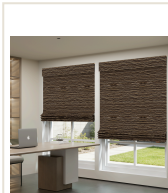

Bamboo Roman Shade

Natural texture and warm, filtered light define the Bamboo Roman Shade. Woven from real bamboo and reed, each shade folds up softly on a cordless lift and filters daylight into a warm, dappled glow that brings organic character to a window. The natural-wood tones layer easily over any trim and pair beautifully with drapery. Offered in four distinct weaves for a range of texture and openness.

FINISH OPTIONS ● Natural Wood B-J-005

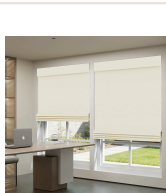

PRODUCT	Bamboo Roman Shade
