

CEILING FAN

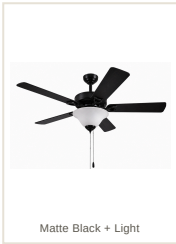

Base Camp 52-in. Ceiling Fan

The Base Camp 52-in. Ceiling Fan keeps a porch, sunroom, or covered patio comfortable year-round, moving strong, quiet airflow across the space on an efficient reversible motor. Five wide blades cover a generous span, and a damp-rated build shrugs off humidity and occasional moisture where an indoor fan can't go — slope-ceiling ready on the included downrod, available with an integrated LED light kit.

ORDER CODE SKU 2400008 & 2400007 (batch). ⚠ Specs pending vendor — both records are essentially blank in the PIM (no title/model/finish). 2400008's part, Matte Black finish and LB2E light kit are inferred from the attached image (BASE-52-MBK-MBK-LB2E.png); 2400007 has NO model, finish, or image — possibly an accessory/downrod. Family specs (52" 5-blade, ~5,000 CFM, damp-rated, ETL) carried from the Base Camp line; confirm all.
