

SEMI-FLUSH MOUNT

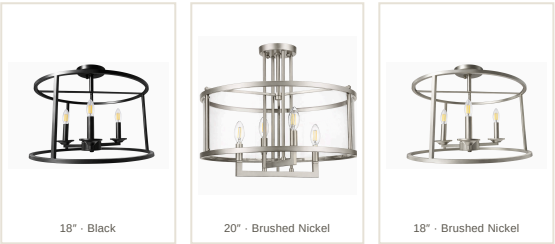

Belvedere Semi-Flush Mount

A tailored cage of candle lights gives the Belvedere Semi-Flush Mount a transitional presence that dresses up a foyer, bedroom, or dining nook without a long drop. Warm light filters through the open frame for an inviting glow, and the low-profile body clears standard ceilings where a chandelier won't fit. Two sizes — an 18-in. three-light and a 20-in. four-light — each in Black or Brushed Nickel.

FINISH OPTIONS ● Black BK ● Brushed Nickel BN
