

WALL SCONCE

Cardinal Wall Sconce

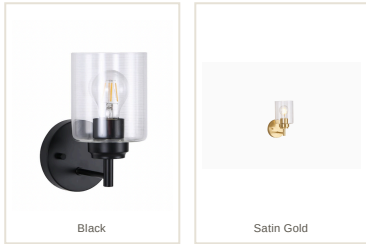

A single cylindrical glass shade on a slim backplate gives the Cardinal Wall Sconce a clean, understated profile beside the mirror. Warm light spills softly downward for grooming without harsh glare. Mount one on each side of the mirror for balanced, shadow-free light, or use it solo beside a powder-room mirror — it shares its cylindrical shade with the rest of the Cardinal bath collection.

FINISH OPTIONS

Black BK

Brushed Nickel BN

Satin Gold SG
