

ROLLER SHADE

Cordless Roller Shade

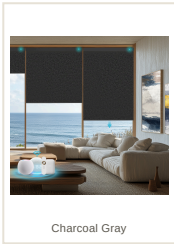

The Cordless Roller Shade brings room-darkening light control and privacy to media rooms and bedrooms, its tight-rolling fabric pulling down to dim daylight for sleep or viewing. A child- and pet-safe cordless lift glides up and down in one smooth motion, leaving a sleek, uncluttered window. Mounts cleanly inside or outside the frame in Gray, Black, or Charcoal Gray.

COLORS & ORDERING

	FINISH	SIZE	SKU	PART #
	Gray	Made-to-measure	4100001	CC-268B6
	Black	Made-to-measure	4100003	CC-268B5
	Charcoal Gray	Made-to-measure	4100002	CC-268B7

ORDER CODE Order code / SKU: CC-268B6 Gray (4100001) · CC-268B5 Black (4100003) · CC-268B7 Charcoal Gray (4100002). Cordless room-darkening, inside/outside mount. △ Specs pending vendor — no size range / fabric spec in PIM; made-to-measure. △ Per-record bullets describe different shade types (B6 'honeycomb cellular', B7 'zebra dual-layer') vs the roller title — built to title; confirm fabric per SKU.
