

TABLE LAMP

Elion Table Lamp

Clean, minimalist styling defines the Elion Table Lamp, a frosted-glass cylinder on a slender base that dresses a nightstand, console, or side table. It casts a warm glow across the surface and simply plugs in — tap the base to dim. Its compact scale layers light into a reading nook without crowding, and pairs with the matching Elion pendants in Black+Copper or Satin Gold.

FINISH OPTIONS  **Black** BK  **Satin Gold** SG
