

TOWEL WARMER

Ember Hardwired Towel Warmer

Bring spa-like comfort to the bath with the Ember Towel Warmer. Four floating heated bars on a slim SS304 stainless backplate gently warm and dry towels while taking the chill off the room, with adjustable temperature and a 1–8 hour timer. Hardwired for a clean, permanent install and damp-rated for bathroom humidity, it coordinates with modern fixtures in Satin Brass, White, or Brushed Nickel.
