

BATH / VANITY LIGHT

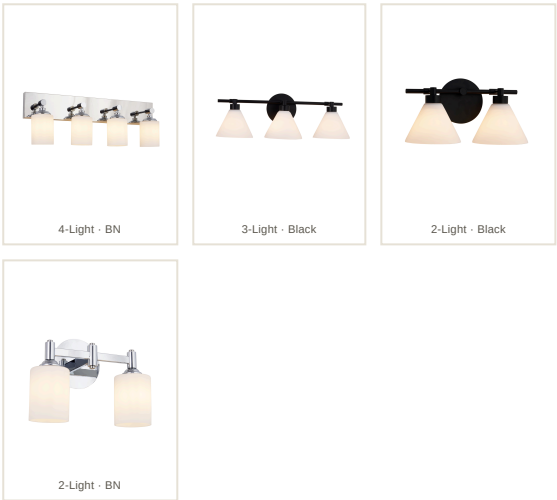

Maren Vanity Lights (2 / 3 / 4-Light)

Evenly spaced sockets line up in a clean row across the Maren vanity lights, spreading a warm, shadow-free glow ideal for grooming and daily routines. A compact 2-light suits a powder room, the 3-light fits a standard single-sink vanity, and the 4-light spans a wide or double-sink layout. Glass shades soften the light, and the damp rating makes it safe for the bath — a refined fixture that makes the morning routine feel a little more polished.
