Maui Raffia-Fringe Chandeliers & Pendants

Layered raffia fringe cascades down the Maui fixtures, giving them a textural, bohemian silhouette with real movement. Warm, filtered light plays through the woven fringe, from a full 38-in. tiered chandelier over a dining table to a compact 16-in. pendant in a nook. Natural fiber brings organic warmth into a modern room, and every form hangs beautifully on its own. A statement family that turns the ceiling into the room's focal point.
