

BOWL PENDANT / FLUSH / SCNCE

Nimbus Collection

Soft, rounded bowl and dome shades in warm white unify the Nimbus collection across the room. The wide-bowl pendants turn a kitchen island or dining table into a quiet focal point, the low flush mount keeps a hallway or bedroom ceiling clean, and the hooded sconce layers gentle light at eye level. Each casts an even, glare-free glow that softens the space, coordinated in a single white finish for a whole-room look.
