

BATH / VANITY LIGHT

Northport Vanity & Sconce

A clean row of cylindrical glass shades in a warm satin gold finish gives the Northport family a coordinated, modern presence above the mirror. The vanities diffuse warm, shadow-free light ideal for grooming, while the compact single sconce fills in flattering light at eye level flanking the glass. Integrated LED with 3-CCT selectable color and standard-dimmer control ties the whole bath together — a 3-light for a standard vanity, a wide 4-light for a double sink, and a matching sconce.

FINISH OPTIONS Satin Gold SG

PRODUCT	Northport Vanity & Sconce
