

MINI PENDANT

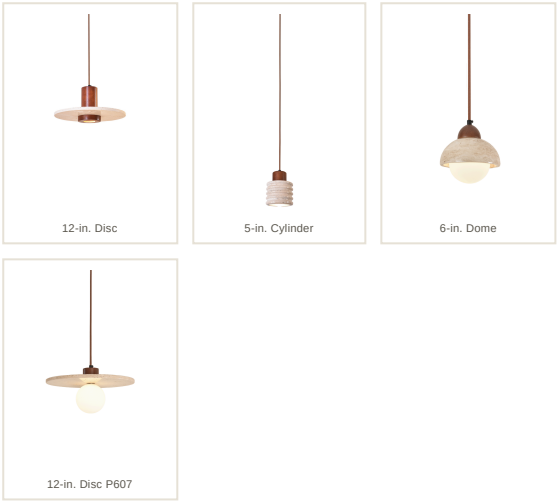

Pietra Stone-Textured Pendants

A family of stone-textured shades gives the Pietra pendants a warm, hand-finished look, from a wide disc to a slim cylinder, a boxy square, and a soft dome. Each casts a gentle, downward pool of warm light over a counter, island, or nightstand, and the compact scale spaces evenly across a run or clusters in a tight group. A versatile, earthy pendant family that turns the ceiling into a quiet focal point.
