

BOWL PENDANT

Potter Bowl Pendants

A rounded bowl shade gives the Potter pendants a soft, sculptural presence overhead, dropping warm, diffused light in a gentle downward pool without harsh shadows. The 12-in. suits a nightstand or reading corner, while the 16-in. scales up for a counter, breakfast table, or entry. A satin-gold interior warms the glow, and a long cord adjusts to different ceiling heights — a clean pendant that turns the ceiling into a quiet focal point.
