

TOWEL WARMER

Pyra Plug-In Towel Warmer

Bring spa-like comfort to the bath with the Pyra Towel Warmer. A slim ladder of four heated bars gently warms and dries towels after every shower while taking the chill off the room, and a built-in timer offers 2-hour, 4-hour, or continuous heat. It plugs into a standard 120V outlet with no wiring or renovation, mounting flush to the wall in a clean, modern White or Black frame.
