

OUTDOOR WALL LANTERN

Rainier Outdoor Wall Lantern

A classic cage-and-glass silhouette gives the Rainier Outdoor Wall Lantern timeless curb appeal beside the front door. Clear seeded glass casts a warm, welcoming glow after dark, and the wet-rated steel frame in a black finish stands up to open outdoor exposure. A standard medium-base A19 socket makes bulbs easy to source. Three heights — 11, 14, and 18 inches — hang solo or in a flanking pair to fit a compact entry up to a two-story facade.

FINISH OPTIONS ● Black BK
