

CHANDELIER

Regent Candle Chandelier

A slim ring of polished black metal crowns the Regent Candle Chandelier, giving it a modern, minimalist silhouette that reads as sculpture even before the lights come on. Candle-style bulbs ring the frame, layering a warm, inviting glow over a table or landing below. The compact 4-light suits a nook or small dining room, while the wider 6-light empire frame scales up for larger rooms and two-story entries.
