

LINEAR CHANDELIER

Rowan Linear Chandelier

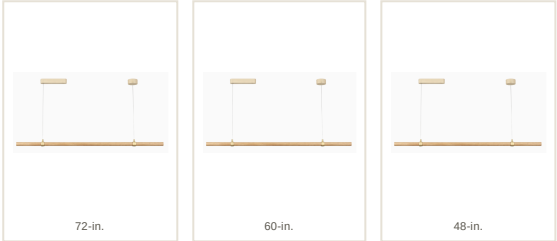

A single slender bar of light spans the length of the Rowan Linear Chandelier, its clean, unbroken line drawing the eye down a long island or dining table. A warm 3000K glow spills evenly along the Light Oak wood bar for soft, glare-free illumination, and the minimal metal frame keeps the profile low and architectural. Three lengths — 48, 60, and 72 inches — each hang on an adjustable drop for standard or vaulted ceilings.
