

CEILING FAN

Sakai 56-in. Ceiling Fan

Steady, comfortable airflow spreads through the room from the 56-in. blades of the Sakai Ceiling Fan. An integrated 1,500-lumen LED adds a warm glow overhead, the quiet DC motor runs in the background, and the damp-rated build shrugs off a covered outdoor space.

FINISH OPTIONS ● Matte Black MBK

SKAI-56-MBK-MBK-AGB-MTR
