

CEILING FAN

Savannah 52-in. Ceiling Fan

Warm light spills from the integrated fixture on the Savannah 52-in. Ceiling Fan while its blades move strong air across a larger bedroom, living room, or covered porch. The low-profile hugger mount tucks close to the ceiling for tight clearance, and the damp-rated build stands up to covered outdoor spaces. Matter-enabled for app and voice, in White, Brushed Nickel, and Matte Black.
