

LANDSCAPE · PATH / BOLLARD

Silva Path Light & Bollards

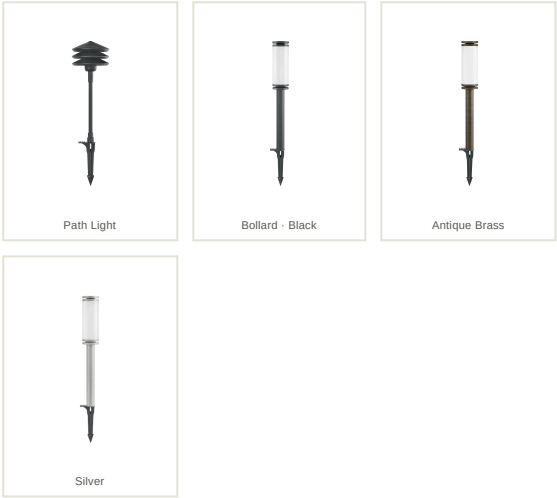

Warm, glare-free light pools softly along walkways and garden beds from the Silva landscape family. The hooded path light directs light down onto the path, while the slim 18-in. bollards mark a drive or bed edge with a low, even glow — including a color-changing RGBW bollard that switches from vivid hues to tunable white. Wet-rated and wired on a simple 12V low-voltage run, Silva blends into the landscape by day and makes the yard beautiful past sunset.

FINISH OPTIONS

 Black BK

 Antique Brass AB

 Silver SV

PRODUCT DETAILS

FAMILY
Silva

PRODUCT TYPE
Low-Voltage Landscape Light

MATERIAL
Die-cast aluminum

MOUNTING
Ground stake / surface · 12V

LOCATION RATING
Wet

CERTIFICATIONS
ETL Listed (Wet)

LIGHT SOURCE (LED)

LIGHT SOURCE
Integrated LED

CCT
3000K (RGB: RGBW)

CRI
80 CRI

INPUT VOLTAGE
12V (low-voltage)

INSTALLATION

INSTALLATION
Stake or surface-mount · low-voltage lead

WIRE LENGTH
Pigtail lead

FIELD ADJUSTABLE
RGB Bollard: app color control
