

SMART CEILING FAN

Skylark 52-in. Ceiling Fan

Quiet, efficient airflow meets modern smart control in the Skylark 52-in. Ceiling Fan. A whisper-smooth DC motor moves a strong 5,300 CFM across six speeds and reverses for year-round comfort, while built-in Matter smart control links it to the app and every major voice assistant — Alexa, Google, and Siri. Damp-rated for covered porches and sunrooms, Skylark comes in four housing-and-blade combinations to suit any room.

FINISH OPTIONS Brushed Nickel BN Black BK Copper
