

CRYSTAL WALL SCONCE

Soirée Crystal Wall Sconce

Crystal-dressed cylinder shades give the Soirée Wall Sconce a glamorous, jewel-box sparkle that catches the light from every angle. Four candelabra lights glow warm behind the faceted crystal, casting a soft sparkle rather than a single hot source, and the compact silhouette mounts cleanly on either side of a mirror, bed, or entry. Pair two for symmetry or hang one alone to dress up a hallway or powder room.
