

GLOBE PENDANT

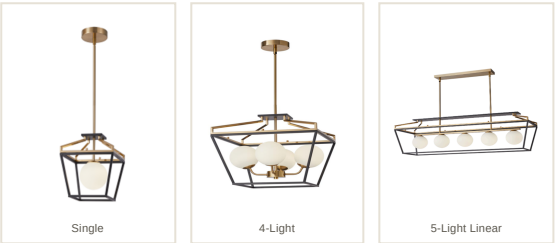

Sorelle Globe Pendant

Rounded opal-glass globes on a Satin Gold and Black frame give the Sorelle Globe Pendant a sculptural, organic-modern presence. Each globe glows softly with warm, selectable-white light that spreads gently across an island, table, or living space — no bulbs to change on the integrated, dimmable LED. Scale from a single globe over a nightstand to a five-light linear run crowning a long island or farmhouse table.

FINISH OPTIONS Satin Gold SG
