

OUTDOOR · AREA / POST-TOP

Sphera Outdoor Area & Post-Top Lights

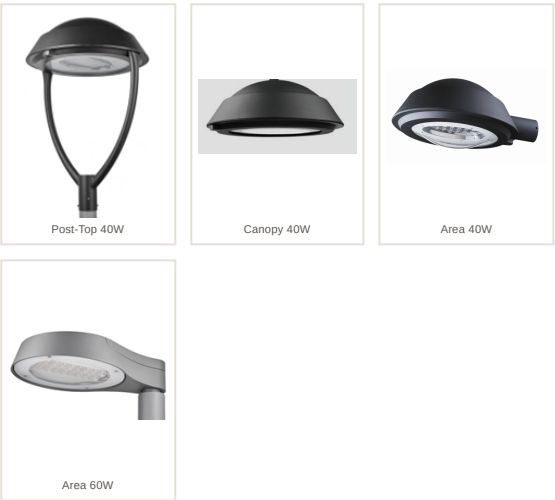

Warm, even light spreads across driveways, walkways, lots, and covered canopies from the Sphera outdoor family. Rounded post-top globes bring classic exterior styling to a front walk, low-profile shoebox area lights flood a parking lot or lot perimeter, and a flush canopy light lights a covered structure edge to edge. Wet-rated die-cast housings shrug off rain, sun, and daily wear — dependable exterior lighting that runs night after night.

FINISH OPTIONS
