

LANDSCAPE · ACCENT / DIRECTIONAL

Still MR16 Accent & Directional Lights

Spot a small tree, shrub, or garden feature in warm light with the Still MR16 Accent Lights, adding a soft glow after dark without running a hardwired circuit. Each compact black housing holds a single 6W MR16 lamp, so you can aim the beam exactly where you want it and swap the lamp as the garden changes. Bullet, flood, and in-ground gimbal forms cover uplighting, wall-washing, and flush accenting from one low-voltage run — durable landscape lighting that makes the yard beautiful past sunset.

FINISH OPTIONS

Black BK

PRODUCT DETAILS

FAMILY
Still

PRODUCT TYPE
Low-Voltage MR16 Accent Light

MATERIAL
Die-cast aluminum

MOUNTING
Ground stake / in-ground · low-voltage

LOCATION RATING
Wet

CERTIFICATIONS
ETL Listed (Wet)
