

FLUSH MOUNT

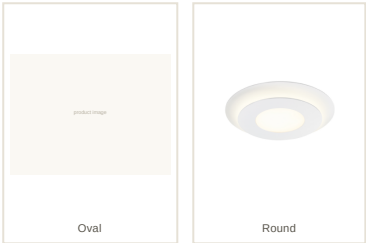

Stratus LED Flush Mount

Softly diffused, edge-to-edge light spreads from the Stratus LED Flush Mount, its low-profile panel hugging the ceiling in a hallway, bedroom, bath, or closet. Three clean silhouettes — an elongated oval, a crisp square, and a compact round — each wash the ceiling in warm, glare-free 3000K light with no visible bulbs or shadows. Efficient integrated LED runs cool and long-lived, turning a plain ceiling into a quiet architectural detail in White.
