

CHANDELIER

Tasia 4-Light Chandelier

Four candle-style arms fan out in a classic silhouette, giving the Tasia 4-Light Chandelier a timeless, branched presence overhead. Each light casts a soft, layered glow rather than a single hot spot, and the square-edged frame keeps the look tailored rather than fussy. Sized for a dining table, entry, or stairwell landing, it comes in Black, Brushed Nickel, or a two-tone Black + Brushed Nickel to suit a warm or cool palette.
