

CEILING FAN

Tritour 52-in. Ceiling Fan

Keep a bedroom, sunroom, or covered porch comfortable year-round with the Tritour Ceiling Fan. Its low-profile hugger mount hugs close to the ceiling for tight clearance, moving ~4,200 CFM of air on a quiet 3-speed motor, while an integrated 1,000-lumen LED adds a warm glow overhead. Damp-rated for covered spaces, in Brushed Nickel, Matte White, or Matte Black.
