

COMMERCIAL LED

2x2 LED Troffer · Selectable

The 2x2 LED Troffer brings bright, even illumination to offices, schools, and healthcare drop-ceilings. Field-selectable wattage and CCT simplify spec and stocking, while dimming and long-life efficiency lower energy and maintenance costs. Code-ready commercial performance that drops straight into a 2x2 grid.

ORDER CODE

Order code TRO2-20T40-5CCT-DV2-WH (SKU 3340004). Selectable 20/25/30/35/40W, up to 5,000 lm, 5-CCT selectable, 80 CRI, dimmable, 120–277V. ~23.7" × 23.7" × 2.15", White. ⚠ PIM title says "Highbay" — this is a 2x2 lay-in troffer, not a highbay; title is a misnomer. Exact CCT set-points to be confirmed.
