

LINEAR PENDANT

Vela 5-Light Linear Pendant

Crown a long island or dining table with the Vela 5-Light Linear Pendant. Five tapered heads span the bar, casting warm, even light in a dramatic linear row instead of a single center point. The staggered drop lengths add rhythm and movement overhead, and the extended span suits an island or table a single pendant can't cover on its own. Two spreads — 38-in. and 41-in. — each in Black or Satin Gold turn a long stretch of ceiling into a sculptural lighting moment.
